

ICfL Resources

ABLE/SABLE: Library basics for individuals who have no formal library training. Online, self-directed courses, available 24/7. Connected to library competencies.

libraries.idaho.gov/able

CE GRANTS: Through funds provided by the Library Services and Technology Act, Institute of Museum and Library Services, ICfL offers three grants:

- First Time Conference Attendee
- Professional Development
- Trustee and Staff Training

libraries.idaho.gov/lsta

ONLINE TRAINING: Courses through Infopeople, Library Juice, Amigos, LYRASIS and PCI Webinars. Request access through libraries.idaho.gov/courses

INFO2GO: Monthly 60-minute webinars on current topics - check calendar for dates and topic.

libraries.idaho.gov/freetraining#INFO

LiLi.ORG: Along with links to databases, access online training and literacy resources. lili.org

LIBGUIDE: A growing list of training opportunities for staff, directors, and trustees of public, school, academic and special libraries.

guides.lili.org/continuing-education

SURVIVAL GUIDE: For new library directors - public or school - one page summaries of need-to-know topics.

guides.lili.org/survival_guide

This project was made possible in part by the Institute of Museum and Library Services.

Continuing Education

2015

Libraries are learning organizations.

As library staff members contribute to the education of individuals in their community, so too, they must continue to learn and grow.

Embracing learning allows you to

- **Remain relevant and adaptive**
- **Increase your value**
- **Strengthen your library**
- **Enhance customer service**

in order to meet the needs of your changing community.
